

## Addendum-1

RFP No. - RN20180004

### **Question**

Are bidders to provide 2 or 4 project summaries to demonstrate experience?

### **Relevant RFP Document Sections**

#### **Section III Proposal Evaluation Criteria**

2. Technical Mandatory Requirements, p 19 of 54

“proposals must demonstrate that the Proponent..., has experience, completing two (2) projects for clients external to the proponent’s organization in each of the following:

- Environmental assessment of major resource projects; and
- Environmental analysis”

#### **Section IV Response Guidelines and Evaluation Criteria**

1. Technical Proposal

a) Proponent experience

“Proponents should detail its experience in delivering services to clients relevant to the requirements of the RFP through the two(2) project summaries submitted in response to the Mandatory Technical Requirements”

### **Answer**

Proponents should use 2 projects in response to the mandatory technical requirements, with each project demonstrating both environmental assessment of major resource projects and environmental analysis.
